

## **REGIONAL CENTRE FOR BIOTECHNOLOGY**

### **Guidelines for students for deferring registration from an academic programme**

1. A student for bonafide reasons may opt to defer registration from an academic programme up to a maximum period of two semesters.
2. The student will have to re-register within the stipulated time duration failing which his/ her registration to the course may be cancelled.
3. For students drawing fellowship, the guidelines of the funding agency will be followed in accepting the request to defer registration. Students will have to undertake that no claim for the fellowship will be made to RCB or the recognized centre.
4. The request for deferment must be forwarded by the guide of the student to the Academic Management Committee (in case of RCB) or Academic Committee (in case of recognized centre) for its recommendation and subsequent approval by the RCB Executive Director.
