# Support for start-up

Staff Reporter

**KOCHI:** Union Minister for Science and Technology Harsh Vardhan has assured all possible support for the development of RGCB BioNest, the business incubation facility of Rajiv Gandhi Centre for Biotechnology (RGCB), at KINFRA Park, Kalamassery.

During his visit to the facility, the Minister emphasised on the need for more biotechnology start-ups in the country. "RGCB BioNest has great potential for growth. The facility will undoubtedly attract more incubatees in the coming years," he was quoted as saying in a press release issued here.
